

REMARKS/ARGUMENTS

Favorable reconsideration of this application is respectfully requested.

The Communication of June 14, 2005, indicated the application was in condition for allowance except for minor formal matters.

In response to the objection to the minor formal matters, the Abstract is amended by the present response to now be written in the form of a single paragraph. Further, the specification is amended as noted on page 5. Further, claim 4 is amended as suggested in the Office Action.

The presently submitted amendments are believed to address all objections in the present application.

As no other issues are pending in this application, it is respectfully submitted that the present application is now in condition for allowance, and it is hereby respectfully requested that this case be passed to issue.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
